TOGETHERNESS IS

From '59 to '72
Took 13 years to make it through
The days were slow
But the years went fast
Our playground games
Were over at last.

Now the time has come, today is the day
To live our lives in our own way.
To meet the future which now is near.
On graduation we'll shed a tear,
Reminiscing of days gone by
And of our lives at Dundee High.

The band performs at a Christmas and Spring concert for the community. Along with this, we also compete in a Band Festival which will be on March 18 this year. Last year we received a first rating and were eligible for State Competition. We hope this year will be as good.

Students in the band also have the opportunity for solo performance at the annual Solo and Ensemble Festival. They work on extra music which helps to improve their individual playing.

Sometimes not often enough we reflect upon the good things And those thoughts always center around those we love And I think about those people who mean so much to me And for so many years have made me so very happy And I count the times I have forgotten to say--'Thank you'--and just how much I love them.
